* We will bring these microphones! ** You provide!

Effects List:

- Parallel compression on Drum-Group if analog
- Yamaha SPX, Lexicon PCM, TC D-Two
- Any other Reverbs and Delays are welcome!

Lights requirement:

WE supply:

- Light/Video Operator
- MSK Backdrop white (projection screen) 10m x 6m
- Projector for Visuals placed at FOH

YOU supply:

- functional Lightsetup in acceptable dimension with:
Spots, Washes, LED Pars, ACL Sets and 4lites/8lites
- Inhouse Lightengineer for Setup + Support
- SPACE + POWER at FOH for Projector + Laptop
- Trusstower FOH (2,00m – 2,50m) with Platform for our projector
- If you have a Projector bigger than ours (5000 ANSI) please prepare it at FOH so we would use always the one with more Output!

Recommended Minimum Lighting Setup:

Backtruss: 6 x Spots / 6 x Washer

Floor: 3 x LED Pars StageRight (IMPORTANT)

3 x LED Pars StageLeft (IMPORTANT)

2 x 4lites behind the Drummer

Fronttruss: Generic Frontlights, 4lites/8lites

If you have Generics on Stage please prepare with following or similar Gels:

LEE 085 Deeper Blue

LEE 022 Dark Amber

LEE 106 Primary Red

LEE 204 Full C.T. Orange

FX: Haze! MDG Atmosphere always works pretty good!

Control Desk: grandMA2 light – if not get in touch with the Lightoperator and we find a solution.

Sending a Patchlist and Lightplot before, will make things easier. Thanks!

Any questions left? Just send an Email to the Light/Video Operator. Thanks in advance! Good Karma –

Good Show

03/05

Further Details (Read them and it will be really easy to work with MSK):

Contact sound engineer:
Rene Hofmann
fatandholy@gmail.com
0049 17630716096

Contact light engineer:
André Stein
as@stoneage.events
0049 176 93161860

- Names of the musicians:
 - Drums - Steffen
 - Keys - Norman
 - Bass - Matte
 - Guitar - Seppi
- Soundcheck will take about 45min. In case of a hurry we are able to play only with a line check.
- Installation of lights and visuals will take approx. 1hour.
- Please inform the engineers about the models of sound and light consoles!
- No drumriser! The musicians will stand together as close as possible.
- We bring our own visual show, so we need a white screen in the back. We have a screen and a projector, if you have also a projector, feel free to install it to relieve this work from MSK's engineers. Please provide a place for the projector (at least at front of house in heights 2,50m!)
No projection, no show!

Hospitality:

- Travel Party is 7 people (4x musicians, 1x sound engineer, 1x light engineer, 1x merch guy)!
For accomodation please provide 3 twin rooms, no double beds! No private stays!
- For merchadising please provide a table at least 3m x 1m with light and power. If open air, please make shure it's roofed!

Food and Beverage:

- Warm dinner or 20€ buy-out each person
= 5 vegetarians, 2 carnivores! We don't mind if everything is vegetarian.
- Welcome snacks - CHIPS ARE IMPORTANT! MSK are addicted!
- Water! NO GAS, NOT CHILLED!
- 2 cases of local beer
- 2 bottles of local red wine
- 1 bottle of quality rum (Havana Club, Myer's Rum), 1 case of Coke, ice and limes - Fuckin' Cuba Libre rocks!
